All Natural & Organic Play Makeup Set

Eco princess all natural & organic play makeup set is created by a mom who got fed up with all the highly toxic kid's makeup sets. Eco Princess is a line of all natural and organic mineral makeup designed just for kids.

Each kit contains: two eye shadows, one blush, pink shimmer lip balm, water based nail polish and two applicators. 2-3 coats of polish are recommended. Polish will peel off in warm water. Purses are hand made and will differ slightly.
